

WORLD OF RADIO #1088, produced July 18, 2001 by Glenn Hauser

- *Standard disclaimer
- *New edition of Continent of Media 01-07 available on our website from July 18; on RFPI from July 20; subsequently on DXing.com
- *WWCR made frequency changes July 18 dropping 7435 completely, so WOR Friday 0930 UT now on 9475; also Brother Stair 7460 usage greatly expanded
- *Last week, WOR on WBCQ-2 9330 started much later than 0400; so if not heard on time, stay tuned
- *No confirmation yet that WBCQ will carry BBC WS; but R. Caroline says it will be on 7 and 17 MHz WBCQ for 9 hours per week
- *VOA frequency changes in English to 5 MHz out-of-band via Botswana, Greenville
- *Format change at VOA News Now delayed until September or later
- *R. Cadillac X-band talking billboards QSled by ad agency, v/s Sarah Maggetti, Account Executive, D'Arcy Masius Benton & Bowles, 3310 West Big Beaver, Troy MI 48084
- *One of first LPFMs, KLGB in Enid is equipment-testing, on air most of the time; and Enid has second LPFM on air, ``Classic Rock, KUAL 104.7, Enid`` -- hardly Public Radio as in licensee name
- *WCLV's explanation of 7-way station switchover in Cleveland also says another AM station relays its classical most of the time; <http://www.wclv.com>
- *New COM 01-07 has segment about consolidation in US broadcasting industry; accompanying item on Sen. Hollings' Commerce Committee trying to restrain Republican-controlled FCC from deregulating even further
- *Sackville frequencies abandoned by BBC and RN heard carrying RCI and R. Japan relays
- *RCI on 15170, 13670 and 17875 put out huge interference over entire bands
- *CBC summer programs include Connexions on Mondays, Despatches, Radio Donair in last half hours of As It Happens, M/W/F; and Charles Lawther's ``hilarious`` standup documentaries in last half hour of This Morning, Sunday
- *Carole Taylor appointed new chairwoman of CBC, non-francophone. See: <http://www.nationalpost.com/news/national/story.html?f=/stories/20010713/617582.html>
- *In the midst of WOR 1088; <http://www.angelfire.com/ok/worldofradio/> P O Box 1684, Enid OK 73702 USA: wghauser@yahoo.com and our hotmail accounts are also working again
- *Thanks for financial support this week go to: Bill Flynn
- *7th annual meeting of Mexican DX clubs and SWLs, Aug 9-11 in Guanajuato; info from dx2001@guanajuato.com or ask Jeff White, WRMI
- *XERTA's latest frequency, trying to get back on nominal
- *Arbitron just moving into rating Mexico City radio networks, first market outside US

- *New Director of OCB, R. Marti is Salvador Lew, ex-classmate of Castro; plans to revitalize with better programming and Belize MW relays; and TV Marti to move to prime time on 3 UHF channels at once
- *Rolando Borges, Cuban exile broadcaster, died July 9; see DXLD 1-097
- *Cuban exile news site: <http://www.cubafreepress.org>
- *OAS urges Colombia to investigate killings of journalists, including one with La Voz de la Selva, formerly on SW
- *La Voz del Napo, Ecuador, reactivated on 90m
- *Ecuadorian harmonics heard in Quito: R. Panorama; Ecos del Portete; Ondas de Caluma; see DXLD 1-099
- *Peruvian harmonics IDed: Radio La Mejor; Radio San Lorenzo; and non-harmonic R. Cielo
- *Peruvian 5 MHz stations heard in New Zealand: Radio Reina de la Selva; R. Bolivar
- *R. Union, Peru, varying around 6.3 MHz is unintentional, since ID still mentions 6115; so when QSLing, don't make an issue of clear out-of-band off-frequency
- *3343-3344 variable unID, Radio Cuarto Centenario, seems Bolivian
- *Banda Oriental, Uruguay, weak but readable for an hour in Europe; QSLs on the way from Calle Sarandi 328, Sarandi del Yi, Durazno
- *V. of Africa, Libya, moves back to 15 MHz from 17
- *R. Cairo, Egypt, heard on new 50m frequency, ex-30m?
- *R. Netherlands made morning transmissions to North America permanent via Sackville, 4 hours per day at times inconvenient for CDT, MDT
- *Love Parade plans SW special again this year, July 20-22, but no details by July 18; see <http://www.fritz.de/loveradio>
- *Discussion of poor audio quality of SWBC from Poland in DXLD 1-091, 1-098
- *Visit to Cyprus, including Cape Greco and feasibility of more broadcast relays there, in DXLD 1-099
- *V6AH, Pohnpei, QSLed on MW in Australia; plans automated 24h soon
- *New Peace Radio Website on stations promoting peace in troubled areas:
<http://www.evrel.ewf.uni-erlangen.de/pesc/PESC-peaceradio.html>
- *Propagation outlook from Boulder, July 17; flux range 160-125-155
- *And so concludes yet another WOR, 1088; Glenn Hauser, here, hoping you've found useful info in the program and inviting you to hear me again next week
